[Missed us at the show? We'll bring it to you.](#)

***Multi-Conveyor had an overwhelming response at Pack Expo Las Vegas.***

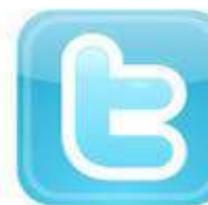

For those of you who could not attend the Pack Expo show, we're sorry we missed you. The event triggered a record high for Multi-Conveyor as we were able to discuss all of our [latest systems](#), [new technology](#) and showcase our [new literature](#).

[View the trade show video now](#) to see our products in motion, learn about our company, visit our factory production floor and more.

For those of you that we did meet at the show, the entire Sales Team at Multi-Conveyor would like to thank you for taking time out of your busy trade show schedule to stop by our booth and discuss your [conveyor and conveying](#) needs. Your respective sales representative will be [contacting you](#) personally soon.

In the meantime, please visit [www.multi-conveyor.com](http://www.multi-conveyor.com) to learn about all of the products we offer to help your business move in the right direction. Then, call us at 1-800-236-7960 and we'll be happy to discuss your next project.

**Meet Erik Nelson**

Read this true success story of Mr. Erik Nelson, a man who literally started at the bottom of the corporate ladder and worked his way to a new crowning achievement as an esteemed Sales Account Manager for Multi-Conveyor. You will be inspired.

**What is F.A.T.?**

Multi-Conveyor works with our customers through the entire process - from sales to installation assistance. Factory Acceptance Tests (FAT) are done at our location on a regular basis by our clients. We invite them to see the equipment, in action, well before we dismantle and prepare for shipment. In many cases, after coming to an FAT, a customer may decide... (read on)

**Food & Beverage industry video**

Cheryl Miller, Director of Marketing for Multi-Conveyor, gives a brief overview of the features and benefits of using sanitary and food grade conveyors. We are experts in conveyor solutions for Baking, Beverage, Confectionary, Dairy, Food Packaging, Frozen Foods, Meat/Poultry, Pizza and more. We incorporate agency compliant designs for USDA, WDA, AMI, FDA, Meat, Dairy, BISSC, etc. From bottles and cans to flexible packaging, bags, cartons and cases, we can get your products moving in the right direction.
