Multi-Conveyor LLC

Your best...conveyed better.

The Multi-Conveyor Advantage

Why choose Multi-Conveyor?

MULTI-CONVEYOR designs and builds custom conveyors and related devices. We are a leader in the industry for what we do. That is not an opinion or a debate, it's simply a fact.

Our company motto is appropriately stated, "Your best, conveyed better." We strive earnestly to achieve that goal through a process of continuous innovation. We have moved to a position of leadership in the industry because of that philosophy and for our new approaches to move, handle and reorientate our customer's products.

A Cut Above The Rest:

Whether your project is $3,000 or $3+ Million, Multi-Conveyor has solutions. Benefits include:

Project Management

- An appointed exclusive contact from purchase order through installation.
- Approval drawing, design reviews, equipment function prior to fabrication.
- Factory Acceptance Testing on our floor.
- Customer visits and post delivery trips for pre- and post-installation.
- Oversee shipping, installation assistance and ongoing customer support.

As of 2026, Multi-Conveyor is a 72,000 sq. ft. facility of which over 57,000 sq. ft. is dedicated to our quality fabrication, assembly, electrical, QC, testing (FAT's) and shipping.

Controls, Material Handling, Service

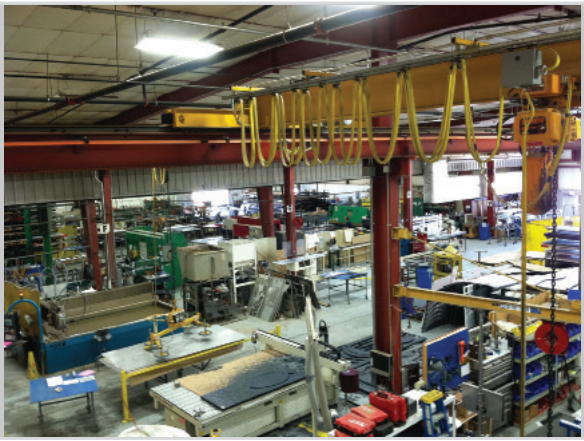
- 3-D Modeling
- Full Engineering - Mechanical/Electrical
- UL Certified electrical panel installation
- PLC programming
- Onsite electrical start-up assistance
- Technical assistance in field
- Parts and customer service support

Quality Manufacturing

- In-house fabrication
- Complete computer controlled machinery: Precision welding, punch,press, horizontal mills, tooling, pin router, CNC's, paint booth, bridge cranes, overhead cranes and much more.
- Pre-assembly to shipment - it's all done at our building in Winneconne, Wisconsin. We ship from our floor to your door.

Conveyor Specialists:

- Success Line "Quick Ship" pre-engineered conveyors
- Stainless steel plastic modular belt & plastic chain conveyors
- Mild steel painted plastic belt & chain conveyors
- Sanitary applications/designs
- Multiflex chain conveyors
- Accumulation tables/conveyors
- Alpine & spiral accumulators
- Grippers: All configurations



- Wire belt & mesh conveyors
- Rotators, turners, orientators
- Diverters, combiners, laners
- Rotary turn tables, unscramblers
- Retractable nose conveyors
- Friction belt conveyors
- Steel chain conveyors
- Case load stations
- Platform elevators/lowerators
- Pneumatic devices
- Starwheels, pack-off tables

Multi-Conveyor LLC

Your best...conveyed better.

Let's get working on your next project.

Since 1989, Multi-Conveyor has been supplying standard and custom conveyors to nearly every industry. Whether your project is $3,000 or $3 Million, Multi-Conveyor has solutions. When you work with Multi-Conveyor, you work with a team of experts. A Project Manager is assigned to each individual customer and each job to ensure a quick response. Multi-Conveyor is committed to minimal lead times to meet our customer's required due dates.

Here's a list of systems and devices that Multi-Conveyor builds on a regular basis:

Accumulation Conveyors
Alpine Accumulation Conveyors
ARB (Activated Roller Belt™) Conveyors
Auto-Indexers
Belt Conveyors: Fabric, Homogenous, Positive Drive
Bi-Directional & Uni-Directional Accumulation Tables
Case Packaging / Case Load Conveyors or Stations
Case Upenders
Chain Driven Conveyors
Custom Designs and Specialty Systems
Electrical Control Panels (UL Listed)
Electrical Control Systems and Programming
Friction Belt Conveyors
Gripper Conveyors: All Configurations
Hand-Pack Stations
High-Speed Servo Driven Divert Gate Assemblies
Hydraulic Devices
Incline Conveyors
Incline Product Elevators
Indexing Conveyors
Indexing Elevators and Lowerators
Integrated Roller Belt (ModSort) Conveyors
Lane Balancers
Lifts & Lift Gates
Mat-Top / Modular Plastic Belt Conveyors
Metal Detection Integration
Mild Steel Painted Construction
Modular Conveyor Systems
MDR - Motor Driven Roller: Stainless, Wash Down
Multi-Flex Chain Conveyors
Package or Roll Upenders
Package Turning Devices
Pallet Forming Conveyors for Robotic Palletizers
Pneumatic Devices: Clamps, Stops, Gates, Retracts, Rails
Pre-Engineered Standard "Quick Ship" Conveyors
Product Orientation: Rotate, Turn, Flip
Product Turners
Retractable Nose Conveyors
Right-Angle Pushers and Sweeps
Rotary Tables: Accumulators / Unscramblers
Sanitary, Hygienic Design and Construction*
Servo and Pneumatic Diverters and Combiners
Side Grip Elevators and Lowerators
Single Filing Conveyors
Slim-Fit™ Small Transfer Conveyor Systems
Spiral Drum Conveyors & Accumulation
Stackers
Stainless Steel Construction
Starwheels
Steel Chain Conveyors
Success Line: Basic, Economical, General Transport
Table-Top Chain Conveyors
Upenders: Helix (Twist) and Powered Arm
Vacuum Conveyors
Vertical Accumulators
Wire Belt & Wire Mesh Conveyors

**Agency compliance determined by individual application.*

Take the Multi-Conveyor Challenge

Even if your satisfied with your existing conveyor supplier, give us a shot. Chances are we've already concepted, designed, engineered and built a system just like the one you're looking for right now ... or, made one pretty damn close.
