Slim-Fit™ Hygienic Wash Down Tool-Less Small Product Transfer Conveyor

The need for a quality, yet affordable, pre-engineered, hygienic washdown system was the driving force in the design of the Slim-Fit by Multi-Conveyor. The tool-less pin-pull approach allows the operator to remove the belt in mere seconds for routine maintenance. Made of 100% stainless steel, this low profile frame footprint comes standard with 3-ply blue wash-down belting. Soon to be the industry standard. Let's compare ...

Most Popular Applications:

- Food
- Beverage
- Pharmaceutical
- Sanitary
- Washdown
- Small product transfers

What makes Slim-Fit different from similar products on the market?

- Strategically placed center drive and center take-up design keeps uniform shallow frame depth on each conveyor end to fit in tight or smaller spaces
- Two pins remove belt in seconds
- "V"-Guide pulleys for accurate belt tracking
- Flip-up ends allow for cleaning and maintenance
- Adjustable height from 30"-48" (optional casters)
- Easy to remove transfer plate
- #8 mirror finish stainless steel frame and supports
- Fully assembled and tested prior to shipment
- Pre-engineered, quick ship
- Cost

Compare the Slim-Fit to similar low-profile conveyors on the market today. Then do the math. We believe you will be pleasantly surprised.

*Standard belt widths 6" or 12". Standard lengths from 2' to 10'.

*Custom solutions or sizes will require slightly longer lead times.

Multi-Conveyor LLC

Your best...conveyed better.

Let's get working on your next project.

Since 1989, Multi-Conveyor has been supplying standard and custom conveyors to nearly every industry. Whether your project is \$3,000 or \$3 Million, Multi-Conveyor has solutions. When you work with Multi-Conveyor, you work with a team of experts. A Project Manager is assigned to each individual customer and each job to ensure a quick response. Multi-Conveyor is committed to minimal lead times to meet our customer's required due dates.

Here's a list of systems and devices that Multi-Conveyor builds on a regular basis:

Accumulation Conveyors	MDR - Motor Driven Roller: Stainless, Wash Down
Alpine Accumulation Conveyors	Multi-Flex Chain Conveyors
ARB (Activated Roller Belt™) Conveyors	Package or Roll Upenders
Auto-Indexers	Package Turning Devices
Belt Conveyors: Fabric, Homogenous, Positive Drive	Pallet Forming Conveyors for Robotic Palletizers
Bi-Directional & Uni-Directional Accumulation Tables	Pneumatic Devices: Clamps, Stops, Gates, Retracts, Rails
Case Packaging / Case Load Conveyors or Stations	Pre-Engineered Standard "Quick Ship" Conveyors
Case Upenders	Product Orientation: Rotate, Turn, Flip
Chain Driven Conveyors	Product Turners
Custom Designs and Specialty Systems	Retractable Nose Conveyors
Electrical Control Panels (UL Listed)	Right-Angle Pushers and Sweeps
Electrical Control Systems and Programming	Rotary Tables: Accumulators / Unscramblers
Friction Belt Conveyors	Sanitary, Hygienic Design and Construction*
Gripper Conveyors: All Configurations	Servo and Pneumatic Diverters and Combiners
Hand-Pack Stations	Side Grip Elevators and Lowerators
High-Speed Servo Driven Divert Gate Assemblies	Single Filing Conveyors
Hydraulic Devices	Slim-Fit™ Small Transfer Conveyor Systems
Incline Conveyors	Spiral Drum Conveyors & Accumulation
Incline Product Elevators	Stackers
Indexing Conveyors	Stainless Steel Construction
Indexing Elevators and Lowerators	Starwheels
Integrated Roller Belt (ModSort) Conveyors	Steel Chain Conveyors
Lane Balancers	Success Line: Basic, Economical, General Transport
Lifts & Lift Gates	Table-Top Chain Conveyors
Mat-Top / Modular Plastic Belt Conveyors	Upenders: Helix (Twist) and Powered Arm
Metal Detection Integration	Vacuum Conveyors
Mild Steel Painted Construction	Vertical Accumulators
Modular Conveyor Systems	Wire Belt & Wire Mesh Conveyors

**Agency compliance determined by individual application.*

Take the Multi-Conveyor Challenge

Even if your satisfied with your existing conveyor supplier, give us a shot. Chances are we've already conceived, designed, engineered and built a system just like the one you're looking for right now ... or, made one pretty damn close.
