## Slim-Fit™ Stainless Steel, Tool-Less Small Product Transfer Conveyor

### *NEW! Slim-Fit Conveyor*

#### Most Popular Applications:

Food  
Beverage  
Pharmaceutical  
Sanitary  
Washdown  
Small product transfers

Soon to become the "industry standard", here's just a glimpse of a few "Slim-Fit" upcoming features:

- Low profile frame footprint
- 2-ply blue wash down belting with tool-less removal
- Center-driven drive pulley design
- 6" or 12" belt widths\*
- Built to length from 2' to 10' or any size in between\*
- H-Style legs adjust from 30" to 48" top of belt elevation
- 100% Stainless Steel
- Fully assembled and tested prior to shipment (just pop on the legs)
- Pre-engineered
- Quick delivery (may ship in as low as 3 days!)

Call us for more information. Then, do the math. Compare the Slim-Fit to similar low-profile conveyors on the market today. We believe you will be pleasantly surprised.

*\*Custom solutions or sizes will require slightly longer lead times.*
