

Congrats on Multi-Conveyor's 6th Annual Mason's Food Drive!

Despite a difficult economy, Multi-Conveyor continued their dedication to the local Mason's Annual Food Drive for the sixth (6th) consecutive year, collecting non-perishable food donations, miscellaneous school supplies and cash. Four teams competed in a full week of fun-filled events such as "Taco Tuesday", or "Children's Back Pack Stuffing Wednesday".

The competition was headed up by team leaders (image above from left) Dave Colwell (Production Manager), Sharon Malliet (Engineering Secretary), Barb Messerschmidt (Applications Administrative Assistant), and Chris Jeszke (Project Manager). The company added an additional corporate check donation of a \$1,000.

Proving everyone's heart is always in the right place, the teams collectively reaped *more* food donations this year than last. Job well done!
